This one-of-a-kind luxury ICF home was built by McDonald Luxury Homes and boasts the most stupendous views of the Rocky Mountains. Located on a beautiful cul-de-sac, the street appeal is truly stunning. and this four-bedroom residence features over 5700 developed SF. The recent renovations are magnificent and must be seen to be appreciated. Special features include a "French Chateau" Kitchen, a hotel-sized hidden Butler's Pantry, a gigantic "his and hers" dressing room styled ensuite with a shower and opulent bathtub set between, folding doors leading out to an outdoor living room with a commercially engineered steel and concrete deck with automated louvres, screens and lighting, a heated 1200 SF RV/Garage / Workshop with 18 Foot Ceiling to accommodate lifts. Smart Home Control 4 Technology with Touch Screens throughout. The two-acre parcel showcases extensive stone retaining walls allowing for different levels of landscaped gardens and features a gated and fenced yard, a dog lovers paradise. There are so many beautiful attributes of this beautifully appointed home that are unlike any other.
