This great property is on 3 lots located at the corner of Hiway 733 and Hiway 49 at Wanham. It is 22 km to Rycroft.. The metal shop is zoned commercial so you can run your business out of it if you wish, or have it changed to residential. It is heated, with cement floor, 220 power, and 14 ft sliding doors, and 30 ft RV lean to on the back. The gorgeous bi level home has open concept kitchen, living room and dining area. The great island is huge features built in range and corner sinks, perfect for entertaining. You get tonnes of counters and cupboards, and great lighting. The living room features huge windows with great view. You have main floor laundry that could be put back in basement and changed to 2 bedrooms up. You have 3 bedrooms down, totaling 4 bedrooms. The pellet stove in the basement family room makes everything cozy and the large windows don't feel like a basement. This home has tonnes of storage, and even more in the boat house. You have lots of trees, private fire pit area, green house, and raspberries. This home has it all...call to see today...Local hospital and businesses not far away in Spirit River
